**A POPULAR LAMENT.**  
Where Would Society Be if One Was Judged for the Sins of Others?  
"O, I tried one of those hair tonics sometime ago and it never did me a bit of good."  
That's what many people are saying today when they refuse Herpelide's trial.

It would be as sensible to say "I never travel on a railroad because I often see collisions mentioned in the papers."

Newborn's Herpelide is specially made to destroy the germ that is living on the roots of your hair.

That is why it is so exceedingly efficacious—it is there for the sole purpose of ridding the hair of this parasitic growth, after which the hair grows as nature intended.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpelide Co., Detroit, Mich. B. H. Briggs & Co., special agents.
